

## Local Government Election Workshop Information:

### WEBINAR

Due to COVID-19 and the importance of social distancing, the Local Government Election workshops organized through RMAA/UMAAS have been cancelled.

Advisory Services will be offering the Election Workshop by webinar. Details are below.

The webinar will be offered from 9 am to 12 pm on the same six days as the workshops were originally scheduled for. They are:

- Monday, March 23;
- Tuesday, March 24;
- Wednesday, March 25;
- Thursday, March 26;
- Friday, March 27; and
- Monday, March 30.

Once you register for the webinar (link provided below), please choose your preferred date from the drop down menu. You do not have to register for the date you originally signed up for. A printable copy of the PowerPoint for the webinar is attached.

After registering, you will receive a confirmation email containing information about joining the webinar. If you wish to watch the webinar but are unable to join us on the date you have chosen, **register anyway**. We will then send you a link to a recorded version of the webinar so you can watch it later at your convenience. You may use the link we send, from any computer (office or home), however the recorded version will be sent to the email address you used when registering.

You can register for this Local Government Election webinar at <https://attendee.gotowebinar.com/rt/6181262362355386635>.

If you have any technical issues or questions about registering for the webinar specifically call 306-787-2680 and an advisor will assist you.

Advisory Services will be working with RMAA and UMAAS to determine an appropriate time to offer the workshop on Difficult Discussions, hopefully in the near future.
