

# Administrators on the Go Tour

## Laser Tag at Merrill Dunes Action Tag - May 30, 2024

Merrill Dunes specializes in private paintball & laser-tag events that are fast paced, exciting, and leave your group of friends closer and better connected than when they arrived. Reasonably priced for both small and large groups, and with a sheltered safe zone that's close to the action, so non-combatants can hang-out and still be part of the fun. 10 minutes from Saskatoon, just off Valley Road.

**Something new for Administrators to experience.**
